

# Immuno-oncology workshop

*Improving quality and driving success  
in pre-clinical and clinical trials*

Save the date and register [here!](#)

UK specialists will cover key aspects involved in the successful delivery of pre-clinical development and the effective management of clinical trials in immuno-oncology.

The presentations will be followed by a networking coffee to give you the opportunity to meet the experts.

*Thursday 7<sup>th</sup> February  
2019*

*9.00 am- 13.15 pm*

*CNIO*

*Calle Melchor Fernández  
Almagro, 3*

*28029 Madrid*
